

I need you to know that K-LOVE provides a great service to myself and this community. It provides encouraging, uplifting, music and information that I don't have access to otherwise. It would be devastating to not have K-LOVE on 89.3FM to listen to on a daily basis. I believe it is in the best interest for the public to continue allowing K-LOVE to be broadcast on FM. Please don't take away this positive choice from the public.
